## “ALWAYS (ON MY MIND)”

Baby yeah you're always on my mind  
When I look for me, it's you I find  
Maybe we're just two of the same kind  
Oh, always on my mind

Songs on the radio, repeating numbers  
Every truck that I pass by  
I look for you in random places  
Random faces and I don't know why

Baby yeah you're always on my mind  
When I look for me, it's you I find  
Maybe we're just two of the same kind  
Oh, always on my mind

I left you to find me  
But all I found was you  
A persistent voice inside me  
Guiding me on what to do

Baby yeah you're always on my mind  
When I look for me, it's you I find  
Maybe we're just two of the same kind  
Oh, always on my mind

I miss you (Always)  
Every day (On)  
Always on (My mind)  
Always on my mind

Baby yeah you're always on my mind  
When I look for me, it's you I find  
Maybe we're just two of the same kind  
Oh, always on my mind

Oh, always on my mind
